

# MALIFAUX

THIRD EDITION

**27/28<sup>TH</sup> NOVEMBER 2021 – ASCOT**

This year we will be part of the Warfare show which will hopefully see Malifaux at its best with the world's biggest Malifaux event.

5 rounds over 2 days will test your playing to the extreme, but we hope that the comfortable environment and a mix of friendly players will make this an enjoyable experience.

There will also be the opportunity to show off your painting & modelling skills, plus we hope to offer some cool prizes and a comprehensive raffle pool.

Follow the discussion, pre-tournament jests and list of competitors on the Wyrd forum (in the UK Events section).

Have fun, and don't be afraid to ask any questions.

# THE TOURNAMENT FORMAT

## Proxy, Conversion, and Painting Rules

Unreleased M3E models may be used, but a physical card must be available. This may be a scanned image or screenshot from the Crew Builder app.

Proxies are allowed as long as they are appropriate representations of the model for which they stand. Wyrd models may only be used to represent what they are, unless they are significantly converted. Please check in advance with the organiser for suitability.

Conversions are an excellent way to show off your modelling skills, so go wild for this one.

Models must be assembled (glued) and fixed to the appropriate size base. The minimum painting requirement is 3 colours for the majority of your crew.

## Tournament Rules

This event will use the Gaining Ground Season Two guidelines, with the following exceptions;

### Crew Construction:- Fixed Faction

Each player will sign up with a single Faction. Dead Man's Hand may not be chosen.

At the start of each round, the players will hire their Crew for the Encounter up to 50SS, including Upgrades. A Master may not be hired as part of the crew, except as Leader. Henchmen may be Leaders.
