

## TOURNAMENT BRIEF:

Warfare is proud to announce the upcoming X-Wing Tournament - Saturday, November 11th, starting at 8:45 am. Sign in from 8am.

Tickets are available on the Warfare 2023 website <https://wargamesreading.co.uk/product/xwing/>  
This tournament will be an unofficial AMG event

Tournaments at this level are welcoming to all players, regardless of experience level.

Players are encouraged to help each other improve and learn, so long as it does not significantly disrupt the game.

The focus is on creating a fun and friendly environment

This will be a Standard event using the 2.5 ruleset for this event.

The standard tournament scoring system will be used.

Win 3 point

Loss 0 points

Draw 1 points

We will be doing Swiss rounds (number of rounds determined by amount of players).

We are limiting the event to 32 players initially, but have room to grow if we sell out quickly.

We will be using Longshanks to run the event, and we request that you register your list beforehand.

You can find the tournament page here:

On the day, please bring two physical copies of your squad. One for the TO and another for your opponent.

Players will also require all tokens, templates and cards they will need during the day. Proxies are not allowed. Additionally, players are encouraged to bring mats.

This event will be comprised of between 72-78 minute rounds of swiss pairing,

Transport details

Over the course of the weekend, to make managing traffic flow easier we have agreed with the venue that all traffic will enter the site via Gate F, postcoded GU14 6TQ, following Government House Road and then Aerospace Boulevard. Traffic will then all leave by Gate A on each of the days. For pedestrian access and taxis then you should use Gate B that is directly in front of the atrium entrance.

Car parking on site is free all weekend.

For detailed information regarding getting to the venue please click <https://www.farnborough.com/visitor/venue-information/getting-here/>
