

WAR Bowl 23

WAR Bowl 23 is a new one day tournament planned for Sunday 12th November, 2023 at the Wargames Association of Reading's long established "Warfare" Wargames Convention. Warfare is at the Farnborough International Exhibition and Conference Centre, Farnborough Hampshire. There are numerous traders and parking is free.

The TOs are Farnborough Wargames Club Members Miles Smith and Bill Robinson. We are quite new to Blood Bowl, so expect a relaxed, friendly tournament. Since we are new to tournament organisation, we have based the rules on those of the Red Trophy, which will be run at High Wycombe in June, 2024.
