

The Bushido English Masters tournament will be held at Warfare Farnborough International Exhibition and Conference Centre on Saturday 15th November 2025.

Please register on Longshanks for this event. Warband list(s) of 100 rice are to be submitted on Longshanks by 8pm on the 13th November to allow time for checking (see link below). Your list(s) can be submitted 'hidden' - the TO can still check these.

Tables, boards and terrain will be provided on the day. We aim to open registration at 8:30am and start gaming by 9am. Games and awards should be completed by 6.15pm. There will be three rounds as follows:

9:00 - 11:30 first game

11:30 - 11:45 short break

11:45 - 14:15 second game

14:15 - 15:15 lunch break

15:15 - 17:45 third game

17:45 - 18:15 awards

This event will use the GCT tournament and scenario pack. The Masters formate will be used during the event. Two list composition is allowed. Ordered for Battle and Strategic Deployment themes are permitted. Scenarios will be announced before each round. Players will deploy terrain. Models need not be fully painted, but we do encourage painted warbands. Tie breaks details are on Longshanks.

This event will use 'death clocks' to help players stay to time and ideally finish their games. I have allowed 2.5 hours per round to lessen time pressure and so each player gets 65 mins 'on the clock'.

Please contact 'Craig (Bushido Cast)' on Discord if you have any concerns or questions about the event. We aim for the event to be as inclusive as possible, especially to newer players.

As an offical 'Masters' event the following will be provided:

- painter model
- tokens
- dice

Not only that, but we will have prize support and trophies distribute on the day. Building on the last three years and growing interest, we are aiming for 16 players. We can accommodate more of course.

We look forward to seeing you all there. Any questions please reach out!
