

Star Wars: Armada European Masters 2026

Come along and play Star Wars: Armada at Warfare 2026!

Games follow the standard 400 point tournament rules, with the Armada Ruleset (ARC) changes.

All standards of play are welcome, regardless of whether it's your first event or you are a World Champion, but you be expected to know the rules reasonably well.

Day One will see three rounds of Swiss pairings, with a top cut of approximately 25% to 33% of players progressing to another three rounds on Day Two to determine the overall European Champion.

The remaining players will take part in a Legacy tournament on Day Two. This will also follow the standard 400 point tournament rules, but with both the ARC AND Armada: Legacy changes. This will be three rounds of Swiss pairings, with more prizes to be won.
