

Warhammer 40k has returned to Reading Wafare 2026, better than ever. This time with a new edition and run by the GR: Meme Team.

There will be terrain fully compatible with Warhammer 40k 11th edition rules.

Due to the new edition being due approximately mid June, we don't have too many details. We expect it to be 5 games of 11th edition Warhammer 40k, using the most up to date competitive guidelines. Players will be able to receive UKTC points, extra ITC points (due to the GR: Meme Teams partnership with Games Workshop) and most importantly cool prizes from our sponsors!

Event pack will be released once 11th edition is released fully and a link to sign up via Best Coast Pairings will also be made available. By buying the ticket, you will be agreeing to be emailed by us to give you any details of the event and a quick survey after to ask how we did!

We look forward to seeing you there! if you have any questions about the event in the meantime, please email us at [grmemeteam@gmail.com](mailto:grmemeteam@gmail.com)

Thankyou, -GR: Meme Team
